

11TH STEP RETREAT

“There is a direct linkage among self-examination, meditation and prayer. Taken separately these practices can bring much relief and benefit. But when they are logically related and interwoven, the result is an unshakable foundation for life.”

Join us for our fourth annual weekend of contemplation and practice focused on the 11th step. We will spend our time in the peaceful, contemplative environment of **MERCY CENTER AUBURN** cultivating the tools of mindfulness to support our recovery. The retreat will include meetings, instruction and practice in sitting and walking meditation, as well as talks and discussion explaining the basics of mindfulness as a universal tool to enhance your ability to integrate the 12 steps into all aspects of your life.
