

ANAM CARA

Restoring the Harmony of Life Through Celtic Spirituality

Ancient Christian Celtic spirituality is of immense wealth and importance. It is Spirituality that incorporates respect and love of nature and creation; an awareness of the mystery at work in everyday life; the sacredness of seasons restoring us to cosmic harmony, as well as the discovery of the wildness of God, prayer, and ourselves.

Through myth, prayer, and poetry this retreat will connect to what is most sacred within you.

MICHAEL FISH is a member of the New Camaldoli Hermitage in Big Sur California.

Michael has been given permission by his community to explore solitude and the way of the hermit in greater depth. Although he returns to the Hermitage regularly, he currently lives as a hermit, in solitude and prayer.

Solitude is only part of his calling and he offers retreats, talks and spiritual direction to his brothers and sisters in religious and lay communities.
