

Absence and Silence in the Tomb

Holy Saturday Reflection

Saturday, March 30, 2024

8:30am – 12:00pm

Holy Saturday invites us to enter into the tomb as a womb where new life emerges.

We will mediate the meaning of Jesus descending into the dead and patiently waiting for the God to resurrect him.

With Jesus, we will be still and hold the tension as God seems silent and absent in the tomb.
